

## **Imagine: Nevada's Mojave Desert**

Imagine you are visiting the Mojave Desert in Nevada. Read the description and draw the picture to the best of your ability.

---

Golden sands stretch endlessly beneath a deep blue sky, where the heat shimmers like ripples on water. Strange plants with spiny arms reach upward, surviving where almost nothing else can. Towering red and brown rocks rise like giant sculptures, casting long shadows across the dry, cracked earth as lizards dart between them in the blazing afternoon sun.
